

# Sleep Sheep Activity

## **Materials:**

Sheep pictures ([Find here](#))

Chart for hunt

## **Easiest Activity:**

Hang up pictures of sheep around the room in no particular order.

Have the kids go on a hunt in pairs with a clipboard and the chart that is provided to look for the sheep from the story.

They are to find the accessory on each of the sheep and then on the chart write the number of the sheep who is wearing (or has) that accessory.

## **Variations:**

Use the sheep with larger numbers (provided) on their bib and have the kids represent these numbers using different tools.

- Base ten blocks
- Number sentences
- Hundreds chart
