

## Forest Of Reading<sup>®</sup> Festival

# A celebration of reading

The Forest of Reading Festival is Canada's largest literary event for young readers and is continuing to grow. It typically culminates in a three-day awards celebration for the school-aged and French-language programs of the Forest of Reading in Toronto, with satellite Festivals taking place across Ontario.

As of 2023, our award ceremonies are being celebrated in-person at Toronto's Harbourfront Centre, accompanied by select digital ceremonies.
