Forest of Reading®

CANADA'S LARGEST RECREATIONAL READING PROGRAM

About The Forest

The Forest of Reading® is Canada's largest recreational reading program! This initiative offers ten reading programs to encourage a love of reading in people of all ages. The Forest helps celebrate Canadian books, publishers, authors and illustrators. More than 270,000 readers participate annually from their school and/or public library. The Forest invites Canadians to participate via their local public library, school library, or individually.

The Forest of Reading® Award Programs are where children and young adults pick the winner! Readers choose a program they want to be a part of, usually based on age or grade, and begin reading! They can read all ten of the titles or choose to read only the ones they are interested in. Participants are encouraged to read at least five of the ten titles to be eligible to vote in April. This program aims to encourage a genuine and life-long love of reading among readers of all ages.

The culmination of the Forest of Reading® is a celebration in-person with close to 10,000 young people at the Forest of Reading® Festival in Toronto, in addition to digital award ceremonies, is shared across the country.

OUR REGISTRANTS

The Forest of Reading® program runs in public libraries, classrooms and school libraries and homes in Canada and beyond. The program is growing each year, with 25% of registrations in 2023 running it for the first time.

GOALS OF THE PROGRAM

- **Love of reading:** Create a meaningful experience for your readers and give exciting opportunities for reluctant readers to become lifelong readers.
- **A proven head start:** The results are in! Children who read for fun have higher literacy scores, have more success in science and math, and are more socially and civically engaged (Reading for Joy, P4E, 2011).

Libraries at centre stage: With fun activities, prizes and more, the Forest of Reading® puts libraries at the heart of the action!

Reading Canadian: Help support and celebrate Canadian books, publishers, authors and illustrators by taking advantage of the Forest's curated, all-Canadian reading lists for all ages and levels.

HOW WE ENGAGE

Registrants receive exclusive access to opportunities for author visits, online chats, and hundreds of resources that help them run the program. No other program across the country provides this much content.

THE CHOICE IS YOURS

With the Forest of Reading® is democracy in action. Readers receive the unique opportunity to vote on their favourite nominated book that ultimately decides the award winners – not a jury of adults deciding.

About the Award Programs

The Forest occupies a major place of prominence in Canada's literary landscape and encourages a love of reading in people of all ages.

Over 1,000 titles are submitted to the Forest of Reading® Award programs for consideration each year. Publisher and author/illustrator involvement is integral to the success of the Forest and the Festival.

Being nominated for a Forest of Reading® Award is a privilege that many Canadian creators welcome. Once a title is nominated, book sales increase by the thousands.

Our wholesaler sells more than 150,000 books every year on Forest of Reading® titles. That is just one wholesaler and doesn't include others or retailers.

The Forest represents over 30 years of the best in Canadian literature. Year after year, young voters have recognized nationally celebrated authors, including: David A. Robertson, Eric Walters, The Fan Brothers, Susan Nielsen, Gordon Korman, Kenneth Oppel, Buffy Sainte-Marie, Ruth Ohi, Marsha Skrypuch, Kevin Sylvester, plus so many more. 100 books are nominated each year.

Testimonials

The Forest of Reading is the best program I've ever encountered to encourage kids to read quality Canadian books. The exposure for authors / illustrators is phenomenal, and the impact on book sales is unparalleled.

-Jen Gauthier, Associate Publisher, Greystone Books

As a publisher, we eagerly await news of nominations across the range of categories we publish. We know that being nominated makes our authors and illustrators winners, both through the book orders that bump up sales very nicely and through the exposure our creators get to the next generation of readers.

-Judy Brunsek, Director of Sales and Marketing, OwlKids

There's no better reading program. The selection of books is Canadian top tier. The kid-centered approach to reading, participating, and voting is unique. As an author I'm not sure I'd have a career without the support of this program. That's true for many of us, I'd wager. Where else are Canadian kids given such positive and wide-ranging introduction to Canadian creators? The answer is "nowhere". Can't wait until we can meet in person again, and I can see the passionate readers clutching their beloved CANADIAN books and yelling at us like we're rock stars.

-Kevin Sylvester, 2022 Silver Birch Fiction nominee and multi-award-winning author

Forest of Reading® Festival

A ROCK CONCERT OF READING FOR YOUNG READERS

The Forest of Reading® Festival is Canada's largest literary event for young readers and is continuing to grow each year since its inception in 2007. It typically culminates in a 3-day awards celebration for the school-aged and French-language programs of the Forest of Reading® in Toronto, with satellite Festivals across Ontario. Over 15,000 people attend the Festival in Toronto at Harbourfront Centre.

In 2012, the OLA began its Festival expansion, and now each year satellite locations are put on in additional cities. Satellite Festivals have been held in Thunder Bay, North Bay, Parry Sound, Ottawa, Sault Ste. Marie, Kitchener and London. The first French Festival was also held in 2014 in Toronto. It is the first and only French literary festival of its kind in Canada. In 2020, 2021 and 2022, the award ceremonies were presented virtually due to the Covid-19 pandemic, but now back in person in 2023 the Festival remains delivering its award ceremonies to reach audiences across the country.
