Activity 4 - Fruit Tasting

This activity can be done individually or as part of a large group

In the story, Benny loves bananas! Bananas are a kind of fruit that grow in warm climates. There are lots of other fruits that grow in warm climates. Can you think of 6 different fruits that only grow where it is warm? Write them below.

--

If you are able to, have a taste test of the 6 different kinds of fruit. If you can't, that's okay, use your memory and the memories of your classmates to use your five senses to tell us about the different kinds of fruit.

Fruit #1 _____	Fruit #2 _____	Fruit #3 _____
Fruit #4 _____	Fruit #5 _____	Fruit #6 _____

(some warm climate fruits are kiwi, pineapple, lemon, orange, dragon fruit, papaya, mango, banana)

Choose 4 of the six fruits and use the tally sheet below to find out which fruits your classmates enjoy the most.
