## Would You Rather? This or That?

1. Would you rather have the ability to fly like a bird or swim like a fish?
2. If you could choose, would you rather be an invertebrate or a vertebrate?
3. Imagine you could transform into any animal for a day. Would you rather become a reptile or an amphibian?
4. If you had to pick, would you rather be an insect or an arachnid?
5. Would you rather have the ability to regenerate body parts like a starfish or have a hard shell like a crustacean?
6. If you had the chance, would you rather be a mammal with mammary glands or a bird that lays eggs?
7. Imagine you could explore the depths of the ocean or the rainforest. Would you rather encounter marine life like cnidarians or creatures from the forest floor like worms?
8. If you had to choose, would you rather be an arthropod with jointed legs or a mollusc with a soft body?
9. Imagine you could travel back in time and live with dinosaurs or travel to the future and interact with futuristic animals. Would you rather choose the ancient reptiles or the unknown future creatures?
10. If you were given the opportunity, would you rather be part of the insect world or the world of birds?
