

# Iz the Apocalypse Apology Letter

Iz commits some serious crimes that impact numerous people or groups. The victims include: Pat, Claudia, The Metier School, and the public school district. As part of her sentence the judge has declared reparations must be made.

## Task:

As part of the reparations the judge in Iz's case has decided she must write letters of apology to all of the people or groups impacted by her actions. She must explain her actions and how she intends to atone for them.

## What you need to do:

1. Select one of the victims to apologize to.
2. Write a sincere letter (one page minimum) of apology to that person and explain her actions and how she will atone for her behaviour.
3. Make sure the letter is specific to the person you have chosen to apologize to and not just generalizations.
