4 Seasons Activity

In the story, Dear Street, we see Alice's neighbourhood through all four seasons. On the next page, record your ideas, thoughts and feelings about each of the seasons. . Think about what colours you see, how it feels outside, what the sky looks like and how the trees look.

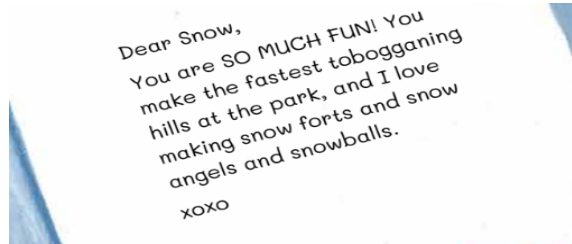

Then choose your favourite season and draw a picture of you in your community during that season. Remember to include ideas from your notes.

Name: _____

Dear Maple Tree,
I love that your leaves are
the reddest of reds and
that they make the best
piles for jumping in.
xoxo

Fall

Dear Snow,
You are SO MUCH FUN! You
make the fastest tobogganing
hills at the park, and I love
making snow forts and snow
angels and snowballs.
xoxo

Winter

Dear Crocuses,
I love that you are
always the first to bloom,
filling gray spring days
with the deepest, most
beautiful purple.
xoxo

Spring

Dear Park,
You are the perfect place to picnic,
especially in the summer. I love your
twirly slide and your wading pool
and your monkey bars.

xoxo
