Document #3 Apartment 713 - The Great Hall Blueprint

Beth's dad was an excellent architect and created an elaborate blueprint of the Regency before it was built. If you were the architect of the Regency, use the space below to create a blueprint of the Great Hall (the theater, the heart of the Regency).

Begin by using pencil, then go over your finished product with a marker or add colour to your blueprint.

Check out the author's drawing tips in this video: [Apartment 713 - Drawing With Drama!](#)
