Into the Bright Open Your Remix

Cherie Dimaline took the classic story of *The Secret Garden* and rewrote it to fit into the history of her home community of Penetanguishene, Ontario. She used it to explore the early history of the Métis people who live there. This book is part of a series of remixed classics to bring more diversity to these stories. Imagine you have been invited to create your own remix of a classic. What would you change? Fill out the graphic organizer with your thoughts.
