## Punny Things

Do you like to make punny jokes? A pun uses the multiple meanings of a word or similar sounding words to make a joke.

For example: Grandpa says about taking care of the bees, "I'll just have to wing it." (p.11)

One of the Bumpers says, "I think you mean buzz-iness." (p.59)

Lizzie says, "We're on a sting!" (p. 154)
