Document #4 Apartment 713 - Stop Motion Animation

Baseball legends, Cool Papa Bell and Babe Ruth, made appearances in a couple of the chapters of Apartment 713.

Create a 15-20 second Stop Motion Animation using Google Slides of Person A pitching a baseball to Person B, and Person B hitting the baseball with their bat.

To extend the task, have Person B running the bases after hitting a homerun!

If you need help getting started with Stop Motion Animation using Google Slides, click on the tutorial [here](#).
