

Iz the Apocalypse Playlist

Music is an important part of Iz's life. She listens to music, plays music and writes her own songs. Music and songs are the soundtrack to her life. Music can make us remember good times and comfort us when we are down or keep us motivated.

Task:

How does music impact or influence your life?

- ❖ Create a list of 10+ songs that characterize your life.
 - Happy songs
 - Inspiring songs
 - Childhood favourites
 - Songs that remind you of special events
 - Songs that define key moments in your life
- ❖ Explain why each song is important to you.
- ❖ Create the actual playlist so it can be played for everyone.
