## Art Activity - Creating a Beekeeper's Stamp

You are an apiarist (beekeeper) and you need a stamp to mark all of your hives. In the space below, create a unique design which makes it clear to whom the hives belong. In the story, Béatriz has a bee-shaped stamp on her hives and Leo's grandmother used the words "Hive a nice day!". Use either words, an image, or a combination of both to create your personal beekeeper's stamp.
