

Name: _____

The Boy Who Woke The Sun - What is Camouflaging?

When Elliot and the octopus heard buzzing sounds, the octopus told Elliot to quickly hide, then the octopus changed its colour to match the dirt and covered itself with moss and leaves.

Do some research to learn about camouflaging? Use the chart below to make a list of living creatures that use camouflage. Add a short description of why they camouflage.

Living Creature	Reason Why The Living Creature Camouflages.
