

IsThisAnOlogy

By Amanda Bulman and Ruth Lawrence

After reading the book, work individually or in small groups to answer and discuss the following questions.

What are ologies?

Which ology in the book did you find the most interesting? Why?

Have you undertaken any activities that would fit into any of the sciences discussed in the book? Explain.

If you could study any science, which one would you study? Why did you choose that one?

What can you do to keep learning more about the science?
