A celebration of reading

The Forest of Reading Festival is Canada's largest literary event for young readers and is continuing to grow. It typically culminates in a two-day awards celebration for the school-aged and an additional French-language celebration on a separate day. Additionally, celebrations happen around Ontario by school boards and communities.

Our award ceremonies are being celebrated in-person at Toronto's Harbourfront Centre, accompanied by digital ceremonies. In person is an event of a lifetime for young readers and those that support the program.

panied by select digital ceremonies.
