# See It, Dream It, Do It

Does It Fit?

Consider the jobs in the table below from "See It, Dream It, Do It." Would you be a good fit for these professions? Choose one job for which you think you'd be a perfect fit. Then choose one you think would be an absolutely terrible idea. Explain your reasoning for both scenarios. What do you know about yourself that would make you a great fit for one job, and really not suitable for another?
