At the end of the book there is a list of things you can do to make a difference. Below is a copy of this list in a chart. Choose five things you can look into doing. Complete the chart for those five things.

| Action |   | Yes I can /<br>No I can't | Why or why not? |
|--------|---|---------------------------|-----------------|
| 1      | Clean up litter in a park   |                           |                 |
| 2      | Donate gently used toys to a community centre, school, or shelter |                           |                 |
| 3      | Bake cookies for a charity bake sale                              |                           |                 |
| 4      | Volunteer at an animal shelter                                    |                           |                 |
| 5      | Start a club to raise awareness about a community issue           |                           |                 |
| 6      | Create a poster to draw attention to an issue you care about      |                           |                 |
| 7      | Join a letter-writing campaign                                    |                           |                 |
| 8      | Set up a bird feeder in your backyard                             |                           |                 |
| 9      | Start a food drive for a food bank                                |                           |                 |
