

## Red Maple Activity: Vlog Activity

*Forty Days in Hicksville* by Christine Kilbourne

Name: \_\_\_\_\_

1. What can happen in 40 days? Use a device (like a phone or an iPad) to record at least one thing that you notice during your day for 40 days. You can take pictures or short video clips.
2. Choose about ten images or clips that are most interesting and put them together into a photo essay or vlog. You can use the attached organizer or develop your own.
3. Add an introduction and conclusion to your vlog/photo essay. You can use the template provided or make your own.
4. Show your project to your family and friends. Check with an adult first before sharing anything online.
