

## Red Maple Activity: Art Activity

*Why We Play With Fire* by Giselle Vriesen

Name: \_\_\_\_\_

“Each of these keys was made from a piece of the gods who helped create the box, and they are the only way to open it.” (Page 55)

In ShinYeon Moon’s art, each of the three Malachite Box keys physically represents the goddesses who created them or their realm. What would a key created by you look like? Draw it below.
