## Tig by Heather Smith Wordplay Activity

When Tig and Peter find the dictionary, they make a game out of picking a random word, looking at its meaning and using it in a sentence. Gather some friends, a dictionary and play the game too. Extra points for making the sentence(s) rhyme!

Example (p. 35) – “Druthers: a person’s preference in a matter.  
*If I had my druthers, I’d have no more mothers.*”
