

The Trailblazing Life of Viola Desmond

Drawing Activity

For Viola Desmond, her family and her community were very important. She fought for civil rights, for equality and for education.

Imagine you are attending a parade to honour Viola Desmond while she is still alive. Design a flag or a poster that you would wave as she goes by in the parade. Would it be colourful? Would it include a picture of a school? Of a family (your family?) What words would you include? (e.g. Justice? Equality? Civil Rights? Something else?). Be creative!
