

Every Little Bit Olive Tran

Name _____

By: Phuong Truong

Illustrator: Christine Wei

As a **“rite of passage”**, Olive gets to **walk to school on her own** once she turns 10 years old. What do you think of this privilege? Is this a safe thing for her to do? Why or why not?

What privilege would **you** want to have when you turn 10 years old? (Is it realistic for someone who is 10?)

Draw a picture of you earning a special privilege when you turn 10 years old.
