

Name _____

Unsinkable Cayenne by Jessica Vitalis

Writing Activity

Unsinkable Cayenne is written in **free verse** – a poem that doesn't have to rhyme but follows the natural rhythm of speech. Write a free verse poem about something that you feel emotional about – something in nature, what 'home' or 'family' means to you, or how your favourite food tastes. Start by writing a paragraph on your topic, then cut out all the unneeded words, play with the line breaks, and add descriptive language. Use another sheet for your rough draft and copy your final poem in the box below:
