

The League of Littles

Discussion Questions

Q1: What skills do Lexi, Mo, and Eli each bring to the team? How do those skills complement each other and work together for success? How could they have still completed their mission if they didn't have those specific skills or gadgets to work with?

Q2: Throughout the book, Chester has no words in his dialogue aside from his squeaks. Why do you think some characters can understand his squeaks better than others? How do the illustrations help convey what Chester is thinking and feeling?

Q3: The Bigs team came up with an elaborate plan to punish Gabi for repeatedly going into Rosa's room and borrowing her things without asking. Why would Gabi's actions frustrate Rosa? Why do you think Gabi continues to do this? What other ways could Rosa and the Bigs have approached the problem?

Q4: While keeping an eye on the situation, the Middles and Onlys Guild decides to stay out of things this time around. What could they have done instead to help the League of Littles or the Band of Bigs? How would that have changed the outcome of the story?

Q5: The story is focused on conflict between siblings. What kind of issues have you had with your sibling or siblings? How did you solve it? If you're an only child, have you ever helped a friend deal with sibling problems? What kind of solutions did you suggest?
