

Activity #4 Create A Spooky Lake Story

Now it's time to get creative!

Imagine a mysterious lake that no one dares to visit. What makes it so scary? Is there a monster lurking beneath the surface? A ghost ship that appears at midnight? A portal to another world?

Write a short story (1page) that includes:

- A vivid description of your spooky lake.
- A main character who encounters the lake (it can be you, if you like!)
- A mysterious or supernatural event.
- A twist ending!
