## What Would You Do With \$1 Million?

Ajay finds a chocolate bar worth one million dollars! But should he take it? Imagine you are in his shoes.

Would you:

- ☐ Keep the money
- ☐ Return it
- ☐ Something else: \_\_\_\_\_

Explain why:

Use the chart below to divide \$1,000,000 into different categories. Include percentages, amounts, and explanations.

CATEGORY	% OF MONEY	AMOUNT	WHAT YOU'D SPEND IT ON
<input type="radio"/> FAMILY			
<input type="radio"/> CHARITY / GIVING BACK			
<input type="radio"/> FUN / PERSONAL GOALS			
<input type="radio"/> FUTURE / SAVINGS			
<input type="radio"/> OTHER			
TOTALS			

Would having a million dollars make life easier or harder? Why?
