

Everlasting WEEDFLOWER

Adapted from www.mudandbloom.com

MATERIALS —

+

+

+

Mason Jar +
Lid

STEPS —

①

Pick wishes
that are
just starting
to flower

②

cut the stem

to fit your jar

③

wrap a piece of
wire around
stone, leave
standing
end

④

thread wire
into the
wish bud

⑤

Glue bottom
of rock
to mason
jar lid

⑥

Carefully
screw jar
onto lid
of mason jar

NOTE —

Pick the dandelion wishes when
it's warm and dry

you can add a second wish in the
jar if there is space

Some buds take longer to open —
use flowers that are just starting
to bud
