

“The Most Magnificent Team” by Ashley Spires

Magnificent Team Art Challenge

Ashley Spires’ illustrations use black ink outlines for the background and colorful characters and objects in the foreground. Now it’s your turn to make your own teamwork scene!

1. Draw the Background:

- Use black ink or pencil to add details to the neighbourhood outline.
- Include things like trees, stairs, streets, or buildings.

2. Draw and Color Characters:

- Create two characters working together to build or solve a problem.
- Colour them in and cut them out.

3. Assemble the Scene:

- Glue your characters onto the middle space so they are the focus of your teamwork scene.

4. Optional Reflection:

- Write a sentence about what your characters are building and how they are working together.
- “Our team is magnificent because...”
